

A manufacturer of solar panels in Ashgabat

Who is Shanghai Alex solar energy science & technology?

With USD 20 million as first phase investment, Shanghai Alex Solar Energy Science & Technology Co., Ltd is dedicated to R&D, manufacture, sales and technical services of crystalline silicon solar modules, photovoltaic application systems and relevant products.

What are the certifications of Shanghai Alex solar energy?

Shanghai Alex Solar Energy Science and Technology Co.,Ltd has passed the certifications of ISO9001-2000 Quality Management System and ISO14001 Environment Management System. The solar modules are manufactured strictly according to the standards of IEC61215 and IEC61730.

Where is Alex solar energy factory located?

The factory is located only 50km away from the Pudong International Airport (PVG),and it is adjacent to A4 and A30 freeways. ShanghaiAlex Solar Energy Science and Technology Co.,Ltd has passed the certifications of ISO9001-2000 Quality Management System and ISO14001 Environment Management System.
