

What is the best EV charger?

Easee One (Best for Aesthetics) The Easee One is often described as the "Apple" of EV chargers. It is minimalist, sleek, and comes in various colours. It is a socket-only (untethered) unit, which keeps the front of your house looking tidy when the car isn't there. One clever feature is the "Easee Key" RFID fob.

What are the best EV home chargers in the UK?

Based in sunny Barcelona, this brand is renowned in the UK due to its Pulsar Plus model which has been one of the best EV home chargers in recent years. We found the Pulsar Max charger to be a very durable build whilst still having that small elegant design.
