

Longi photovoltaic panel 365w nameplate

What is Longi high-efficiency solar module?

LONGi High-efficiency solar Module, widely adopting PERC solar cells technology, Half-cut Module Technology and Bifacial PV technology, Mono Silicon Crystalline Technology has become a leading manufacturer and brand in the export and installation of monocrystalline silicon solar photovoltaic module.

Why should you choose LONGi Solar panels?

High efficiency modules supplied by LONGi have been applied widely across the globe from grassland on high lands, deserts, water ponds to households. The solar modules benefit customers and local economies with high value advantages of greater efficiency, lower light degradation and higher reliabilities.

How efficient is Longi's crystalline silicon-perovskite two-terminal tandem solar cell?

Certified by the U.S. National Renewable Energy Laboratory (NREL), the conversion efficiency of LONGi's independently developed crystalline silicon-perovskite two-terminal tandem solar cell has reached 34.85%, once again breaking the world record for the efficiency of crystalline silicon-perovskite tandem cells.

Where are Longi products made?

LONGi has laid out several manufacturing bases in China, Vietnam, Malaysia and other countries and regions, and branches in the United States, Japan, India, Australia, Thailand, the United Arab Emirates and other countries, with businesses in more than 150 countries and regions.

The Longi 365W Solar Panel (LR6-72PH, 360-380 Watt) leverages advanced Mono PERC technology to deliver an impressive 19.6% module conversion efficiency. Designed for 1500V DC systems, it ...

The LONGi LR4-60HPH 365M is a high-quality solar module with a peak output of 365 watts that offers excellent power output, efficiency, and durability. It is designed for residential solar energy...

The Longi 365 Watt MonoFacial Solar Panel, model LR4-60HPB-365M, is a high-performance monocrystalline solar module designed for residential and distributed solar projects.

Maximize sunlight harvest with our high-efficiency panels (up to 22%+) designed for durability across climates. Full customization available: 1. Size (100W-700W+) & frame style.

Wholesale LONGi solar energy Mono half cell solar cells 365W 370W 375W 380W 385W solar pv modules
Manufacturer and Supplier | Yifeng

LONGi provides you with the most comprehensive product data information so that you can quickly understand LONGi's full range of products.

Our field-proven bifacial modules deliver added performance benefits and long-term reliability. LONGi is more than a product supplier, offering project consultation, design, installation, ...

Longi photovoltaic panel 365w nameplate

Longi All Black 365w A Grade Pv Module Monocrystalline With Ce Tuv Crystalline Mono Solar Panel - Buy Longi Solar Panel,All Black Solar Panel,Longi Pv Module Product on Alibaba

HPBC (Hybrid Passivated Back Contact) is LONGi self-developed and named hybrid passivated back contact cell technology. It is a new generation of high-efficiency cell technology ...

We have many series of solar products, mainly producing solar systems, solar panels, solar inverters, power wall, solar lithium ion batteries and solar mounting systems, and all related ...
