Explore Power Station, the inspiring documentary where two Walthamstow artists go off-grid and spark a solar energy revolution. Discover reviews, ratings, and more at What's After the Movie.

The power in the title isn't just solar. The film is an active demonstration of the power of community, of what can happen when people work together around a vision for their neighbourhood. ...

Working to turn a street and local schools solar, Power Station is a scalable in-your-face prototype of community led power. Channelling Withnail and I and Ealing comedy the film charts the financial and ...

Two artists in Walthamstow set out to take their street off the grid, kickstarting a solar-powered energy revolution.

Power Station is a warm, humorous, and moving portrait of Powell and Edelstyn's quest to build community power: which is not just about buying solar panels, but reaffirming a collective belief that a ...

"Power Station," a production of Dartmouth Films and co-produced by Powell and Edelstyn, is now screening in U.K. cinemas.

In the depths of the pandemic, artist-activists Hilary Powell and Dan Edelstyn decide that instead of power bills going through the roof, power should come off the roof. They launch a grassroots plan to ...
