

TAIXI specializes in the production of Circuit Breakers, contactor, distribution box, switch and other products.

It is used to distribute electric energy and protect lines and power equipment from overload, undervoltage, short circuit, single-phase grounding and other faults. It can also be used as an ...

This advanced Miniature Circuit Breaker (MCB) delivers robust overload and short-circuit protection, ensuring electrical safety across residential/commercial buildings, energy infrastructure, and ...

Today, The Switch manufactures and tests high-quality marine PM machines in Nanjing, China, as well as in two locations in Finland. Our first PM marine machines were built and tested in Lappeenranta, ...

Focusing on medium & high voltage electrical field, our main product are medium& high voltage switchgears, vacuum circuit breaker, vacuum loading switch, isolating switch, lightning arrester, ...

The China Power Breaker Switch from Zhejiang Ruishen Electric Technology Co., LTD. is designed to enhance safety and efficiency in electrical systems. This innovative switch provides robust protection ...

Established in 1992, we are the first ABB joint venture in China. The Company specializes in the production, sales and service of 3.6kV-40.5kV medium voltage switchgears and circuit breakers.

The company emphasizes its commitment to safety in switchgear by being the first professional manufacturer in China to offer a range of protection and metering ...

We have more than 60 years of experience in manufacturing switchgear and circuit breaker. Our main products include gas insulated switchgear, withdrawable switchgear, vacuum circuit breaker, ...
