

Universal angle iron storage cabinet

Where can I find industrial metal storage cabinets?

Lyon proudly makes their industrial steel cabinets in the USA. These metal cabinets are great for storing tools or other heavy gear. We also offer industrial metal storage cabinets with removable plastic bins. They help to increase storage density while speeding up selection. The safety yellow plastic bins easily clip on and off.

Which metal storage cabinets are best for janitor cabinets?

These metal lockable storage cabinets are great options for a janitor cabinet. Lyon locking metal cabinets also have a visible option. The windows in the doors allow you to see the stored contents without opening the doors. Lyon 1200 series metal storage cabinets with locks are a perfect fit for any office.

Does heavy duty cabinets ship to the United States?

Flat-rate shipping to the contiguous United States. HeavyDutyCabinets.com is a division of Conveyer & Caster Corp., a family-owned leading provider of storage and material handling solutions with over 60 years of industrial expertise. To provide storage and handling solutions that improve the material flow, security, and safety for each customer.

How much weight can a steel storage cabinet hold?

All-welded steel storage cabinets feature heavy-duty 14-gauge shelves. You can adjust them on 3-inch centers. Our shelves can hold up to 1,450 lbs. They come standard with a rugged handle with a padlock hasp. Cabinet doors have heavy steel pin hinges that are securely welded to the door.
